Hi Alan,

The letter looks great. I made some picky/editorial comments. See attached.

Cyd, Dave and Jayne,

Attached is the latest version of EPA's response to DEQ's waiver request. Please let me know if you have any edits/comments. If possible, I would like to finalize this within a day or two. Your thoughts would be greatly appreciated. BTW, today I will be in the office until 9:30ish. I will be in the field the rest of the day but will be back in the office tomorrow.
